### Meet the Founder/CEO & Program Director

Greetings my name is Shartonya Quinn-Williams.

I am the founder and program director of Forever a Lady, Always a Gentleman Inc. (F.L.A.G) Proper

etiquette has always been one of my passions. Some may wonder well... what exactly is etiquette? Etiquette is the customary code of polite behavior in society or among members of a particular profession or group. I have always incorporated proper Etiquette in my life and the way I interact with others. Elegance, class, poise, integrity and respect are priceless jewels that money can't buy. However, they can be learned and or adapted behaviors. Growing up as a little girl, I was raised in a loving, caring and violent free home, with my resting grandparents, Bishop's Charles and Erma Harris. They instilled values in me really early. I have held on to those values and embedded them in me. Now I am ready to share with today's youth the priceless information I possess.
